Kindergarten Orientation

Kindies met their buddies who will support their transition to school.

Presentation Day

You are invited to attend our Presentation Assembly which this year will be held during the day.

**The Presentation Day will be held at the school on Tuesday 10th December 2013 from 11.00am – 3.00pm
The day will begin at 11.00am with the formal presentation.**

Families are invited to bring a picnic lunch which they can enjoy with their children and friends in the school playground at the conclusion of the presentation assembly.

After lunch students and their families are invited to attend a movie afternoon to be held in one of our classrooms.

Wear Orange Wednesday (WOW)

Next Wednesday 13th November 2013 is Wear Orange Wednesday. This is a national campaign in recognition of the efforts of the SES volunteers who give up their time to serve their communities in floods, storms and other emergencies.

To support SES volunteers, students are asked, if possible, to wear something orange with their school uniform next Wednesday. This only needs to be a small item and could be, for example, an orange shirt, socks or even a ribbon in the girls' hair.

This day is just to raise awareness and is not a fundraising day.

Kindy Orientation

This morning we welcomed our 2014 Kindergarten students, Alex, Breanna, Michaela, Riley, Siobhan and Tyson to their first orientation session with Mrs Hanrahan and some of the senior students who will be their buddies. The students enjoyed a morning of activities in the classroom, looked around the school and had some fun on the playground equipment.

Our Kindergarten students will join us for more orientation visits over the next three Fridays. They will participate in a range of activities designed to familiarise them with the school and to help them settle more quickly when they begin school next year.

High School Orientation

Our Year 6 students will also take part in their own orientation program as they prepare for their move to Dungog High School.

On the 15th and 27th November they will take part in the Jump Start Program which is designed to assist students from small schools in their transition to high school. Please return attached permission note as soon as possible.

The students will also attend an Orientation Day with all of next year's Year 7 students on 4th December.

Surf Fun Safe Day

On Monday 16th December, students will travel by bus to Nobbys Beach where they will participate in a Surf Fun Safe Day to learn about beach and water safety.

Cost for the day will be \$35 which covers bus travel and the fee for the day's activities.

More details will be sent home when arrangements are finalised.

During the service Savannah will be reading a prayer.

Dads don't always get the same opportunity to be involved in their children's schooling as Mums do and we would really like to encourage this relationship. As part of our AASC program this term, we will be having a Golf Afternoon at Dungog Golf Course on Friday the 6th of December. We are still finalising arrangements but at this stage the Golf Afternoon will run from 1pm—3pm. Liam Manning and Mr Gorton (Snowy) will be running the activities for the Golf Day and they are looking for Dads to volunteer to help take small groups around the golf course. If you know of any Dads or Grandfathers who may be willing to help please contact the office.

The P&C are holding a Christmas Raffle which will be drawn at the Presentation Day. Donations of items which can be used to make up hampers will be gratefully accepted and can be left at the school office.

Thank you for
supporting our Year 6
Fruitbox Fundraiser.

Next Fruit Box order
due Monday the 18th
of November for
delivery on the 19th
of November.

Ice blocks

The year six students will now be selling Berri Fruit Juice Ice blocks during break times.

The ice blocks cost \$1 for a whole ice block and 50 cents for half.

Any money raised will contribute towards the Year Six Farewell Gift.
