Welcome back for term 4!

After the chilly start, we are all glad that the sunshine is back! Now we can really get excited about our swimming program.

Principal's Update—Week 10

I feel very privileged to have the opportunity to work with the children , staff and school community here at Glen William PS and look forward to a busy and enjoyable term and to meeting all of the families. I am keen to work with you for the benefit of your children and to willingly discuss with you any issues of interest or concerns you may have.

We have had a great start to term 4 with the children returning to school after the holidays refreshed and very settled and back into their learning routines. I think the children were looking forward to Swim School but the first couple of days with the cooler weather dampened their enthusiasm so it is wonderful to see the sun out today so that this learning experience may be fully enjoyed.

There are a number of events already planned for this term so that you can put those dates in your diary and have plenty of notice and of course the first major event for the term which we are all looking forward to is the big bike ride and market day which is only a little over a week away. I'll see you there.
