www.schools.nsw.edu.au/shsplacement

Please ensure you read the instructions carefully. Further information about documents to support your applications can be found at:

http://www.schools.nsw.edu.au/learning/k-6assessments/shsplacements/ss_sampletest.php

Key important dates

11th October 2016: applications open

14th November 2016: applications close

23rd February 2017: test authority letter mailed out

9th March 2017: high school placement test

July 2017: placement notification

Head Lice

As the weather begins to warm up, we can be faced with the outbreak of Head Lice. Please check your child's hair regularly and if you find any, please commence head lice treatment. Further information about head lice is available on the NSW Health Website at

<http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx>

Or through the Department's website at

<http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/headlice/index.php>

Raw Art

Unfortunately Raw Art was postponed due to sickness. This will be rescheduled in the upcoming weeks.

Grand Parents Day

This year at Glen William we will be hosting a morning tea for a gold coin donation to help support breast cancer awareness. Children are asked to wear something pink for a gold coin donation and bring a plate suitable for morning tea to share with our visitors. The morning will start at 10:30am and conclude by the end of lunch (12pm). Visitors will enjoy time in the classroom followed by morning tea served by our senior students.

Sydney Excursion

The bus will depart at **6:30am**. Please ensure you are here by 6:20am to board. The runners are on a schedule and we do not want to be held up due to being late and the Sydney traffic. We are due to arrive back at school by 6pm.

Students are to wear full sports uniform

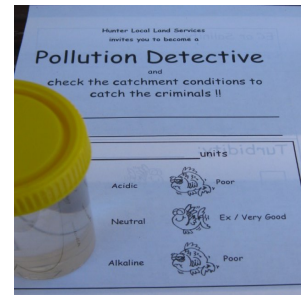

Year 6 Fundraising

The senior students have discussed some fundraising ideas and they will be holding a Pizza and Pirate day on the 2nd November. Students are to come dressed as a pirate for the day. There will be a treasure hunt, scavenger hunt and colouring in competition on the day. A cost of \$8 per child will provide them with pizza for lunch and participation in the activities.

Water Watch

Students in the primary classroom had a visit from Water Watch today.

Here are some quotes from the students about what they enjoyed.

"It was interesting to find out how clean the Williams River is" by Charlie,

"I've never seen water bugs" by Aaron and

"I liked collecting the bugs and seeing what the water looks like from the river" by Caiden.

End of Year Presentation Night

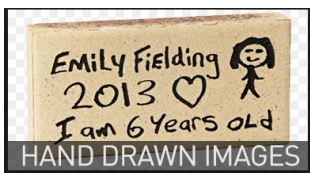

This years end of year presentation will be held on Tuesday afternoon on the 13th December, 2016. There will be finger food provided prior to the start of the presentation.

Meet and greet will start at 4:45pm

Presentation to start at 5:30pm.

The second fundraiser is through Signature Bricks. A sample of the brick is located in the school office. This can be a family purchased brick or you might like a brick for each child to have their own. I would like extend this to the wider community. If you know anyone who has been a past student or heavily involved within the school community, please obtain an extra order form from the school office. Orders will be placed at the start of the year.

Name Bricks or Hand Drawn Image will cost \$30.

Order Forms are attached to the newsletter.

Good for Kids good for life

LONGER DAYS = MORE OUTDOOR PLAY!

Outdoor play gives children the opportunity to experience the natural environment and have adventures! Now that daylight savings has started children have even more opportunity to get outside before school, after school and on the weekends.

Make the most of the sunlight by having some outdoor activities planned in advance. Consider installing a basketball hoop for summer evenings or planning to build a cubby house on the weekends. Playing outdoors with neighbourhood play mates is a great after school activity. Family activities could include a bushwalk or beach cricket day.

Nutrition Snippet

The simplest way

...to eat your teeth clean.

Poor snack choices affect your child's weight, teeth and overall health. Try this activity to see what different foods do to teeth.

Eat the following foods, in order, in front of a mirror to see:

- Oreo biscuit** – a “sticky sweet” food that will fall in to all the grooves of the teeth;
- Carrot** – a firm textured, unprocessed food that increases saliva flow and will remove the Oreo particles;
- Cheese cube** – a powerful protector of teeth that neutralises mouth acid and remineralises the enamel coating of your teeth.

So stick with “firm favourites” (e.g. fruit and veg) and “powerful protectors” (e.g. cheese, milk, water) and avoid “sticky sweet” foods (e.g. biscuits, cakes, muesli bars, lollies). “Sweet acidic” juice, cordial, sport and soft drinks can attack teeth too.
