Term 3 Week 6

Tell Them From Me Survey

This term, our primary class is taking part in the Tell Them From Me student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help them improve. The survey is completed on-line and is run by an independent research company, The Learning Bar, which specialises in school-based surveys.

Staff in schools will not be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you do not want your child to take part in the survey, please return the form handed out on 16/8/2016 and return it to school. More information about the survey and the research is available in English on the CESE website: <http://surveys.cese.nsw.gov.au/information-for-parents>

Parking

A reminder for all parents to park in the designated parking areas across the road from the school. This is important so we know our students have safe access to the bus at the end of the school day.

Doug the Reading Bug

Doug the Reading Bug is the mascot of the Dungog Shire Community Centres (DSCC) "The early years brain research shows that a person's learning pathways are established in the brain by the age of three. The power of reading to children should never be underestimated. Reading and sharing stories with young children is vitally important in helping children develop life long skills for learning. We were lucky enough to have a visit from Doug today and the children thoroughly enjoyed listening to the stories shared.

Assembly

Congratulations to last week's award winners:

Principal Award: Matilda

Class Awards: Charlie & Leah

Assembly Award: Siobhan

Captains Award: Caitlin

Athletics

Congratulations to our relay team that participated at the Port Stephens Zone Carnival last week. They will now run at the Hunter Carnival on 2nd September at Glendale. Good Luck to all!

Book Week

This Thursday we will be celebrating book week. Students are to come to school dressed as their favourite book character, enjoy a picnic lunch with their family followed by a literacy activity in their classroom. Joey's preschool will be joining us for our parade and activities.

Library -

Remember your Library Bag on Thursdays to protect the books you borrow.

Discovery Day

Students in Year 5 and 6 have been invited to attend the Science and Engineering Day on 2nd September at Dungog High School. Please return your Media Consent form.

2017 Kindergarten School Enrolments

We are now taking enrolments for next year. If you know of anyone starting Kindergarten in 2017 please let them know to visit the school and collect an enrolment pack.

Fathers Day Breakfast

Glen William PS invite you to enjoy breakfast on Monday 5th September starting from 8am to 8:45am. The students are invited to wear their favourite sporting team colours with their school shorts.

Please complete the attendance slip for catering purposes.

Bike Ride

The bike ride is all steam ahead! The P&C have done an excellent job in organising the activities and stalls that will be available on the day. There will be Lorraine Lea Linen, Chocs etc, Paintings and gift cards, craft, marmalade, Tish's Soaps, Hannah's fairy Garden, Balloons & Bears, Candles, entertainment and lots more.

The school will perform their dance at 12:30pm. Children are to meet Mrs Bultitude in the primary classroom at 12:15pm dressed in costume.

URGENT

The school cake stall is in need of donations. If you could spare some time in preparing something delicious to sell could you please let the school know or contact Donna for more information on 0428 255 944.

Fruit Orders

Next order is due on 29th August. Order form is attached.

P & C News

Good for Kids good for life

START THE DAY THE FRUIT & VEGIE WAY

Research shows that kids who eat breakfast have higher levels of alertness, energy and concentration. Also, kids need to increase their intake of fruit and vegetables throughout the day.

It can be easy to sneak fruit & veggies in at breakfast time!

Here are a few ideas:

- Wholegrain toast topped with cooked mushroom, fresh tomato, baked beans or creamed corn
- Chop and add left over veggies to an omelette or pancake
- Porridge mixed with mashed banana and frozen blueberries

Eating fruit and vegetables at breakfast will help your kids get their 2 & 5 serves every day!

School Tour

Monday 29th August, 2016
9:30am – 11:00am

If you have a young child with high functioning autism and are due to start Kinder between now and 2019, don't miss this opportunity to give them the best start possible.

Our Aspect Hunter School 'Transition to School Program' helps young children develop the emotional regulation skills they need to make the most of their future mainstream schooling.

We will be making offers for our 2017 vacancies for these little bright sparks before the end of this school term. Come along to our school tour to find out how you can secure the best opportunity for your child's future.

Please ensure that you call us on 02 4922 5900 to register your place at our next school tour where you can pick up your application for enrolment.

Please, no children on the day.
