Term 4 Week 4

Last week we saw a fabulous response to our Grandparent's Day. It was a picture perfect day filled with fun and excitement culminating in the superb performance by Entourage. It is wonderful to be able to share these experiences with both our students and community. Thank you to everyone who came and also to those who kindly picked a book to donate to our school Library.

On Friday 24th November, I will be at Dungog High School alongside the principals of the seven feeder schools discussing the strategic directions of our local schools for 2018 and beyond. This is important for our school as we value the importance of programs that allow our students to engage in and establish opportunities for our senior students to develop peer relationships with students across our local area before entering high school.

The Dungog Show is fast approaching. Information regarding categories and sections that your child may wish to enter in has been sent home. The school will be entering a school display, student artwork and computer art. If you would like to enter another category these will need to be at school by Monday 6th November.

Have a safe fortnight.
