Thursday 6th December  
2:30pm

**Presentation Evening**  
Thursday 13th December  
5pm

## Please Return:

**Payment for intensive  
Swimming**

**ONLINE FORMS-**

## Term 4 Week 4

It was lovely to see so many warm and friendly faces at our Grandparents day. I hope our visitors enjoyed being able to spend some time with their families and enjoy their picnic lunch. Thank you to everyone who supported the book fair. It has been a long time since our school has had a book fair and I would like to thank Mrs Hanrahan and Mrs Reeves for their coordination of this event and liaising with Scholastic to make it happen.

Events at the school like our sport and incursions require a lot of time and coordinating and without our dedicated staff these things would not happen. Just like excursions, they are often planned 12 months in advance to secure bookings.

A reminder that our office is unmanned on Monday, Tuesday, and Wednesday. Please leave a message on our school answering machine and we will return your call as soon as possible. Any notes or payments are to be placed in the silver mail box near the office window.

Intensive swimming is well underway. Please remember to take your items home daily and be organised for the next day. I hope the weather stays warm for us to continue to have a successful program.

Our Community Reading program is a wonderful experience. The pre-school students are enjoying their visits with our Stage 3 students. Well done Tia, Kendall, Ryan and Jessica for being so responsible. This will start again after swimming.

If any student needs to purchase new uniforms for the new year, we have attached an order form. These orders will need to be accompanied with payment so they can be processed.

This week a SMS was sent to parents asking if your child will be available for the Christmas Carols in Clarence Town on the 16th December. The Ray White Real Estate would like to confirm our attendance. Thank you to those who have advised us; if you have not yet let us know your availability, please do so urgently so we can let Ray White know if we are attending.

**PARKING-** It is important to be aware of the new signage that has been installed out the front of the school. Bus zones have been installed and boundaries surrounding this zone are in regulation with RTA and council laws. All parking is to the right of the bus shelter when looking at the shelter from the school.

Have a wonderful fortnight.

Mrs Bultitude & Staff

## Coles Design a Bag Competition

The students have been creating new designs for multi-use bags for Coles. Our bags have turned out fantastic!! Good Luck to our students and thank you Mrs Hurney for your hard work.

## School Uniform

As per Department Policy regarding school uniforms, and through consultation with community when the uniform was established, our school uniform is to be worn at all times. This includes the inclusion of wearing appropriately coloured headbands. Consultation around a new shirt design will be discussed in the new year. If you would like to be involved in this process, please attend the P&C meetings.

## Swimming

We have been blessed with warm weather for the commencement of our swimming program. A few reminders.

- All clothing and towels should be labelled to decrease the risk of losing an item. These can be returned swiftly to the owner if labelled.
- For the safety of all students the pool **MUST** be cleared at the completion of the session. Students who are remaining at the pool **MUST** exit the water and then can re-enter when the students who are returning to school have left.
- It is departmental policy that **NO** free swims are given due to safety regulations.

Our instructors have years of experience and we have been informed that at any stage across the two weeks, students can be moved to accommodate their progression. All families that intend to remain at the pool are required to exit and repay an entry fee unless you hold a season pass. This is a request from pool management.

## 360 Survey Results

Our families have had the opportunity to participate in the 360 degree survey tool. Thank you to those who have responded. Communication has been a theme across the responses. The school will be conducting some further evaluations of this reflection in the coming weeks.

## Volunteers Afternoon Tea

It has come time to once again thank our community volunteers for their input within the school. On Thursday 6th December the staff would like to invite all of our community volunteers to share afternoon tea and allow us to say thank you for your hard work throughout the year. The time for this will be 2:30pm.

## Book Parade ....

## Road safety

Safety is an important aspect of our every day life. Children watch the actions of older people and will generally pick up on habits that they are exposed to regularly. Parents can help by engaging with their family and discussing personal safety. Actions speak louder than words, so remember that all adults are role models to all children. Keep this in mind and be a positive influence to the younger people around you! **Until the age of 10-11 years, children need active adult supervision** to help them navigate driveways, cars, roads and car parks safely. Even children who seem to know all the road safety rules won't necessarily remember to follow them.

Library - Remember your Library Bag on Thursday to protect the books you borrow.

The next P & C meeting:  
Monday, 26th November at 2pm  
in the Primary classroom.  
Everyone welcome!

## Office Hours

The school unfortunately does not have an office manned five days a week. This impacts the ease of daily distribution and taking phone calls outside of these times. As a result of this, all items that need to be distributed will be handed out on **Wednesday, Thursday and Friday ONLY**. Any phone messages will be returned as soon as possible.

## News From the P&C

### Christmas Lunch

Monday 17th the P&C will be holding their annual Christmas Lunch. If you can volunteer some time to assist, please let Donna know.

## Healthy lunchboxes - 4 simple steps

Packing an everyday lunchbox can be as easy as following these simple steps. Include:

- Crunch&Sip®: vegetable sticks or fruit.
- Recess: vegetable sticks or fruit and 1-2 other everyday snacks e.g. popcorn, yoghurt, rice crackers.
- Lunch: a sandwich, wrap or roll or an alternative such as pasta salad
- Drinks: water and reduced fat plain milk.

Just one swap in the lunchbox from sometimes foods to everyday foods can make all the difference to your child's health and wellbeing.

For easy ideas on healthy lunchboxes visit

## Stress less over fussy eating

Fussy eating is common, but that still doesn't make it easy.

Does your child dislike foods because of their colour, texture or the way they are prepared?

Don't despair, SWAP IT is here to help with ideas on how to pack an everyday lunchbox for your fussy eater.

Try the 3/4 lunchbox rule:

- Three items your child likes
- One new everyday item
