Surf Fun Excursion

Term 4 Week 8

Our final PBL assembly for the year demonstrated the wonderful achievements our students have made. It was a representation of a number of domains across the school from public speaking through to sporting and fundraising. The achievements are exceptional.

Thank you to the community for sharing this assembly with the staff and students of Glen William.

This week we say goodbye to Mr Auld and Mr Delforce. They have been a wonderful addition to our school over the past four weeks and we wish them all the best for their teaching careers. Thank you for your musical talents showcased at our PBL assembly.

During Week 7 and 8 we have had the pleasure of providing an opportunity for Hannah a student from Dungog High School, to complete her work experience with us. Thank you Hannah for your work across the fortnight and we wish you all the best with your HSC results.

Final preparations are underway for our end of year presentation evening. Students are to be in full school uniform. The presentation will commence at 5pm. We ask that all students are seated ready to start the presentation at this time.

Our P&C raffle will be drawn at the conclusion of the presentation. I ask that all tickets are returned promptly for this to occur.

As this will be our final newsletter for the year, I would like to thank all the students, staff and community for your dedication to our school across the year. I look forward to hearing great success stories from our Year 6 students as they transition to their next journey and welcoming our new students and their families in 2019.

Have a wonderful and safe Christmas,

Mrs Bultitude & Staff

Keep the lunchbox cool

Want to pack cold foods like yoghurt and cheese but worried about food safety?

An insulated lunchbox with an ice brick can keep the lunchbox 12°C cooler. To keep the lunchbox cold on hot days, you could also freeze:

- Water bottle
- Plain milk popper
- Yoghurt

For more great tips on keeping cold foods cold, visit <http://www.goodforkids.nsw.gov.au/primary-schools/swap-it/tips/tips-to-keep-food-safe/>

New everyday lunchbox products in a shop near you

Did you buy any new everyday snacks this week?

Kids love variety and there are always new products available. But sometimes marketing and health claims can make choosing everyday foods very confusing.

Why not try:

- Air popped popcorn
- Mini rice bites
- Roasted fava beans
