Year 6 Farewell

Term 4 Week 8

2020 started off with some horrendous events with families within our nearby regions heavily affected by bushfires. As a result the department have established the Bushfire Relief Strategy to support schools, staff and students that are impacted by bushfires. Across the 2019/2020 year 189 schools have been impacted, numerous schools had closures and a state of emergency was declared three times throughout the season and not to forget the impact of COVID-19 on our schools.

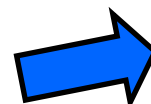

Our school will be focussing on preparing for the 2020/2021 bush fire season to ensure the safety of our staff and students. Our preparations will include the review and updating of our school emergency plan and may involve some practical activities where all staff and students are involved, such as evacuation drills.

The Department of Education is committed to improving how we manage and respond to bushfire emergencies and in particular the lessons learnt from the 2019/2020 bushfire season. This includes a collaborative approach and coordination with relevant local, state and national response and recovery agencies.

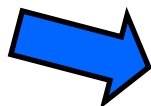

Have a wonderful fortnight..

Attendance

Week 7: 87%

Week 8: 92%

Intensive Swimming

Our students have been actively engaged in lessons and have shown tremendous improvements across this week. All students Years 1-6 who have participated in our swimming program prior to this year will be filling out an evaluation of the program. This will be used to inform our future decisions around the implementation of our intensive swimming program.

Sun Surf Day

Please access Compass and reply for your child's attendance. Payment can be made via the school website.

HATS

A reminder that we have a No Hat No Play policy. Students who do not bring a hat are required to sit under the pergola in the grassed playground. There are no spare hats at school.

Ice-Cream Day

A reminder that ice-cream day is each Wednesday. Ice-creams are \$2.

Library Books

Please return all borrowed library books.

News From The P&C

A message from our president

It is wonderful to be planning some special activities for our students and families after what has been a very difficult year for many. In light of this, P&C would like to give back to our school community by running a "ticketless" Christmas raffle in which each family, staff member and P&C member will receive a ticket in the draw for 1 of 3 Woolworths vouchers to the value of \$200 (1st prize) and \$100 (2nd&3rd). Our raffle will be drawn at School Presentation.

P&C will be hosting our Christmas Lunch for students and staff on Wednesday 16th December, the last day of school. Please make sure you send in your child's rsvp as soon as possible. It will be a fun, festive way to finish the school year.

P&C wish all our families and staff a joyous Christmas and share everyone's hope for a brighter new year in 2021! See you then!
