Student work that's needs
to be marked

Online Forms

Term 1 Week 10

I would like to acknowledge the tremendous work being done by our staff. They have worked tirelessly setting up the online platforms and take home packs for our students so that they are able to continue their learning from home.

Thank you to our families for your support and effort in ensuring your children are accessing the platforms as best they can. We are totally appreciative and understand when technology lets us down. Our staff would like to offer our best wishes to the community in this difficult time.

If at any stage the department decides to close schools, we will communicate with families through our usual channels- SKOOL LOOP, SMS, & FACEBOOK. We will continue to provide learning activities for your child to do in the home environment and will communicate with you about their learning. I have asked staff to check in with you and your family, and I am glad to hear back from families that they have appreciated this check in.

Some reminders for learning in the home environment:

- ⇒ Your responsibilities – there are things you will need to do to help your child learn from home such as setting routines, finding a quiet space and asking how their learning is progressing.
- ⇒ Your child's responsibilities – your child will also need to follow the routines set for them and complete the tasks the teacher assigns while doing their best work
- ⇒ Looking after their wellbeing – you will need to make sure they have breaks, drink water and are not getting stressed or anxious
- ⇒ Communication – it will be important that you talk to your child regularly about their learning. Your child's teacher and/or the school will communicate with you and tell you how to get in touch with them.
- ⇒ Using technology and screen time – it will be important that you supervise your child to use technology safely and put limits on the time they spend online.

Please make contact with staff if you require any extra assistance.

Have a safe holiday
Mrs Bultitude & Staff

Sun Snippet

The simplest way

... to protect yourself from the sun.

Protect yourself in **five ways** from skin cancer

SLIP

SLOP

SLAP

SEEK

SLIDE

- **SEEK** shade
- **SLIDE** on some wrap-around sunglasses

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au

NSW Department of Education

An important message about our response to COVID-19

The health and safety of our staff and students is of the utmost importance to our school.

We have implemented a range of measures to help keep our school healthy and reduce the spread of infection and illness. Some simple measures we ask that you adopt include:

Before entering our school

If you have been unwell, with symptoms such as a high temperature, cough, sore throat, and/or shortness of breath, please don't visit our school. Please contact our office to speak to one of our staff.

PH:

Increase hygiene practices

We request that all staff, students and visitors follow increased personal hygiene practices through regular and thorough hand washing and coughing or sneezing into your elbow or tissue, and disposing of tissues.

Maintaining a healthy distance

For the health and wellbeing of our staff and students, please stand at least **1.5 metres** apart while waiting in our office. Our visitors are encouraged to wait outside for their turn to speak with our office staff. We are also applying social distancing requirements across all areas of the school as is reasonable and practical.

Support for our staff

We appreciate your patience and support while we work together to minimise the impact of COVID 19 in our community.

We know this is a difficult time and we are doing all we can to support our staff and students.

Search Inside the Department for up-to-date information and resources.

1800 020 080

Library - Remember your Library Bag on Thursday to protect the books you borrow.

The next P & C meeting will be advised.

Working From Home!

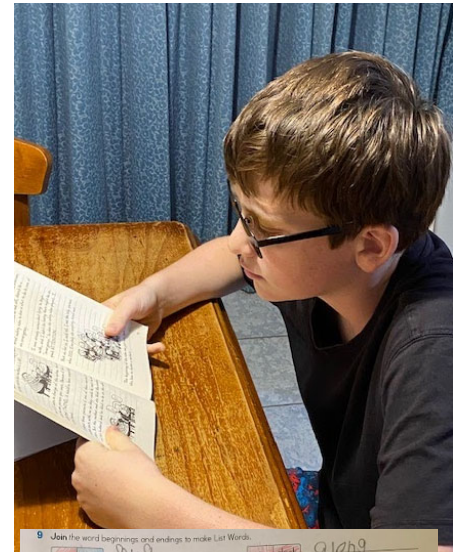

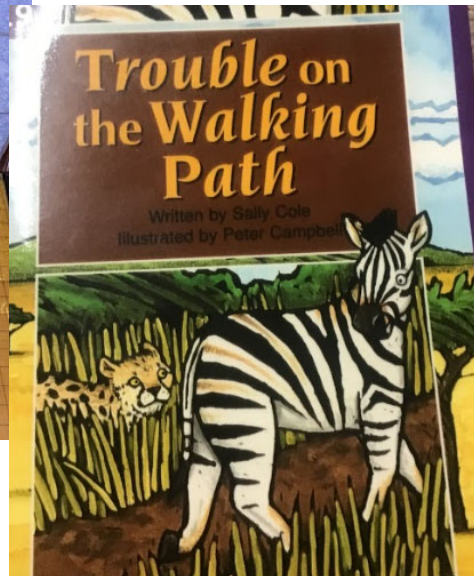

A Dogs

In the middle of a willow forest in the oldest tree there lives a dog a jack russell her name is molly and she will not go out of her home when it rains she is so scared the gnomes set up a bet that they can not get her out and the gnomes always win. Inside Molly's house there was 4 floors on each floor there were 4 doors the first floor had walls of different shapes, sizes and even hardness filled with balls every ball all different shapes, sizes and even hardness. On the second floor she had 5 maps as the carpet, wall, ceiling anything you could think of she had it in 5 maps. The third floor was filled with pillows and blankets and the 4 was filled with toys big toys, small toys all the toys.

The life of me

Hi my name is Mr Lion and I live in Animal town and it is so nice here that any one can live here even the people can live in this place. If you just moved in to animal town you should go down to the local shops. At the post office you will find me, Mr lion, if you want a tasty treat go to the bakery and you will find Jeff the koala todays special is gumnut pie and at last of all is the IGA and that is where you will find everyone else.
