Term 3 Week 6

This week we have seen our Year 5 students participate in their Check In assessment and Year 6 joining them in the Newcastle Permanent Maths Challenge. A reminder regarding the Check in, this is a tool used for the school and for the department to track students due to Naplan not being implemented in 2020. No parent reports will be available.

Year 3 will complete theirs in the coming weeks.

A reminder for families to download the Compass App on your smart phone. If you are having difficulty logging in please contact the school.

I have sent out an email this week regarding the updated guidelines that all NSW schools are adhering to regarding COVID-19. It is important to remember

- ⇒ **ALL students absent or sent home due to flu like symptoms need to be tested;**
- ⇒ **Staff and students must not return to school or work until they return a negative COVID-19 result and are **symptom free**;**
- ⇒ **Schools must sight the negative COVID-19 test result prior to allowing students and staff to return to school**
- ⇒ **If you do not want to have your child tested, then they are to be excluded from school for a **10 day** period.**
- ⇒ **Any student with symptoms must be symptom free for at least **3 days** before returning to school.**

Mrs Hurney will be taking leave from today. Mrs Datson will take the class Monday through to Wednesday and Mrs Bultitude will be on class on Thursday and Fridays.

Have a great fortnight
