Term 4 Week 2

What a fabulous start to Term 4. It has been wonderful to hear the voices of our students back in the classroom. I am sure our students have enjoyed being back with their friends and learning again.

With the NSW Roadmap being continually updated and changed, please be patient with the school in regards to communications or changes. It is often reported in the media earlier than the school receiving official communication. We will endeavour to send out the most up to date information as quickly as possible.

Moving across the term, it is unlikely that we will be able to hold our regular swim scheme program due to restrictions around excursions, but this is one example of a wait and see.

Our Kindergarten Orientation Program will go ahead. COVID -Safe plans will be in place and we look forward to welcoming our new students.

Last term we were due to hold our Life Education Program. This has been moved to a virtual program.

Over the next coming weeks I will be hosting meetings with the school services unit to discuss the canteen upgrade and the installation and replacement of the Florescent lights to LED lights. All contractors employed by the Department are under strict Covid safe work practices in line with the latest Public Health Orders.

School Reports will be the same as Semester 1 2020. No A-E grade for English and Mathematics. Comments will be given for these two subjects along with a general comment. Effort markers will be given for all other subjects.

Mrs Bultitude & Staff

Attendance:

Week 1: 87%

Week 2: 87%

LED Lighting Program

Our school has been selected to receive an LED lighting upgrade.

The **LED Lighting Upgrade Program** commits \$157.8 million to replace inefficient lights with new LED lights, in up to 1,000 public schools across NSW over a two-year period. This is expected to reduce operating costs for schools as well as deliver over 1,200 jobs in for NSW.

The benefits of LED lighting include:

1. Improved learning outcomes in the classroom as a result of improved lighting.
 2. Energy saving – reduced electricity usage and lower bills over the long term by replacing inefficient fluorescent lights with efficient LEDs.
- Lower maintenance and repair costs when compared with fluorescent lights.

The LED Lighting Upgrade Program will be planned to minimise interruption to school classes or learning. The installation will be planned outside school hours where possible and all contractors are required to adhere to COVID safe working practices. We'll let you know once it's finished.

2022 Kindergarten Orientation

Kindergarten orientation will take place across 3 weeks this term. An invitation will be sent to each family who has enrolled. Please also keep up to date with the school Kindergarten Facebook page.

- Session 1: 10th November;
Session 2: 18th November;
Session 3: 23rd November and
Session 4: 25th November

School Enrolment

School enrolment can be completed through the school website. Follow the links -<https://glenwilliam.schools.nsw.gov.au/about-our-school/enrolment.html>

How to enrol

Apply online [🔗](#). If you are an Australian or New Zealand citizen or permanent resident you are eligible to complete the **online enrolment application** [🔗](#). You will then need to finalise the application at the school.

If you are not eligible or prefer not to enrol online, use the **application to enrol** [🔗](#) (PDF 768.4KB) form. Please complete the form in English. A **translated application to enrol** [🔗](#) may help you do this.

For more information, visit **primary school enrolment** [🔗](#).

Out-of-area enrolments

If your child does not live within our **intake area** [🔗](#), visit **out-of-area enrolment** [🔗](#). Out-of-area **enrolment procedures** [🔗](#) are subject to the department's enrolment policy.

If you have received an offer for an out-of-area placement, visit the **online enrolment sign in page** [🔗](#) to accept or decline the offer.

COVID-19

As the state starts to open up and restrictions ease, it is vital to remember the schools plan around keeping our site safe.

1. A New QR Site check In will be a MUST when visitors and parents are allowed on site.
2. Negative test results must be shown if you have had a test.
3. No student is to be at school if they are showing any cold/ flu like symptoms. Students will be sent home.

This week we have had schools impacted across the Hunter where they have had to close as a result of exposure. Therefore it is vital we all follow the correct protocols regardless of our schools size.

YEARBOOK

Our staff have been busily working on a school yearbook. This book has been submitted for printing. Books will be available for purchase at a cost of \$25. Please complete your order on the attached form. (Please note only 50 books have been ordered)

Volunteers Needed

Canteen

If you are fully vaccinated and can assist with the school canteen, please contact either Sharna Kirkham or the school's office.

Jump Rope for Heart JUMP OFF

On Friday 5th November our students will hold their JUMP OFF. Students can wear out of uniform on this day. Enclosed shoes are a must. No midribs or singlet shirts are to be worn.

Book Fair

Unfortunately we have had to reschedule our book fair. This is now scheduled for Term 1, 2022 where we will hold our grandparents day too.

Book Week Activities

Activities have been planned for all of Week 6. (8-12/11/2021). Friday will see the culmination of this event with a dress up day and parade. The theme for Book week this year was **Old Worlds, New Worlds, Other Worlds**. We cannot wait to see our characters come to life.
