Remembrance Day

Our captains Alex and Caitlin represented our school at the Clarence Town Remembrance Day Service. They showed pride and respect for this special day. Thank you Alex and Caitlin.

Social Media and Websites

Social media is becoming more prevalent in society and the online world is an integral part of our lives. Staff have noticed an increase of activity on social media platforms from our students. Please remember there are age limits for different platforms and these are there to protect the students in the online world. Privacy and account settings exist for a reason, remember once something is posted, it is always there, reputation can be influenced and knowing what action to take when something has gone wrong is important. Please monitor your child's online activity so they can stay safe. The below link can give you more information.

PBL Assembly

Congratulations to all students who received awards at our PBL assembly last week. We will hold our last PBL assembly in Week 9

Jump Rope for Heart JUMP OFF

Congratulations to everyone who took part in the Jump Rope for Heart fundraiser. We raised an enormous \$2761.00!! Thank you to our wonderful school community for supporting such a great cause and raising awareness for the Heart Foundation. We celebrated our efforts by participating in some fun skipping activities and awarding our best fundraisers. Our top fundraisers were Cuda, Bella, Dusty, Holly, Saxon, Jordan, Dezzy, Alice and Liam. Congratulations to Alice and Liam who received the top fundraiser prizes from each class. Our fundraising prizes are on their way and will be distributed as soon as they arrive.

Update of Contact Details and Emergency Contacts

A number of our schools across the Hunter have been closed as a direct result of COVID-19. The schools are responsible for making contact with all families to inform of possible close or casual contact. It is vital that all families contact details are accurate and update. It is also important to have correct emergency contact details for your child. The school can not allow a child to go home with anyone that is not listed as an emergency contact. Please contact the school if your details have changed so if we need to make urgent contact we can.

Kindergarten Orientation

On Wednesday this week, we met our new Kindergarten students for 2022. Our Year 5 students did a fantastic job making their buddies feel welcome and comfortable in our school. They listened to a story, made a split pin bear and shared with the class what they liked about it. Our buddies for next year are:

2022 Kindergarten	2022 Year 6
Flynn	Kurtis
Malikye	Stephanie
Vinnie	Georgia
Theodore	Shelby
Ava (Year 2)	Makayla

All buddies and current Kindergarten/Year 1 students are asked to bring a teddy bear or stuffed animal toy to school for a teddy bear's picnic next session. We can't wait to see you all again next Thursday for our second session.
